1. Meet the Teachers!
2. 2015-2016 School Goals
3. Personalized Learning → Our Definition
4. 1:1 Devices
5. School Updates
6. SEL Approaches
7. Classroom Procedures

Meet the Teachers!

2016-2017 School Goals

- Goal 1: We can and we will sustain the most positive teaching and learning environment possible.
- Goal 2: We can and we will provide a personalized learning experience for all students and all teachers.
- Goal 3: We can and we will build strong partnerships among all staff members and families.

WB Motto: We can and we will!

Personalized Learning → Our Definition

- At CICS West Belden, we are focused on supporting students in a personalized way!
- We will be implementing the [Personalized Learning Working Definition](#)

1:1 Devices

- CICS West Belden will be 1:1 with technology devices this school year for the first time ever!
 - ◆ All K-5 Students will have an Ipad
 - ◆ All 6-8 Students will have a chromebook!

- Please remind your children about the importance of being safe while using the technology here at school!
- Technology will only be used to enhance the learning process for students and will never replace strong traditional teacher led instructional practice.
- We will implement devices to go home to help support anytime & anywhere learning for our students based on student responsibility on the technology here in school.

SEL Approaches & Parent Supports

- We will be focused on SEL strategies each and every day in all of our classes!
- We are asking all staff, students and parents to model PRIDE for our students and hope that you will too by being: Problem Solving, Responsibility, Integrity, Drive, and Empathy
- Counseling services will be available to help develop students' social and emotional development!

- We are hoping to continue parent english and computer classes. Please share any ideas you have with the main office!

The background features several large, overlapping triangles in various colors: purple, orange, blue, and red. The triangles are arranged in a way that they appear to be pointing towards the center of the slide, creating a dynamic and colorful composition.
