

# JOIN OUR TEAM

## The Young Women's Leadership School of Astoria!

---

**TYWLS of the Astoria is currently seeking certified Spanish, Special Education (Math) and English Language, and Computer Science teachers who:**

- ☐ Possess a deep love for teaching and learning
- ☐ Are willing to collaborate with other experienced educators who possess a zeal for improvement and results
- ☐ Want to be active participants in the school community and take on multiple roles such as club advisor, coach, grade team leader, etc.
- ☐ Have high expectations for and a record of successful work with middle and/or high school students
- ☐ Are knowledgeable of a variety of methodologies including Project-Based learning and the Common Core Learning Standards (CCLS)
- ☐ Are committed to the education of the whole child through building strong relationships with students and families

---

**TYWLS of the Astoria is a small, 6th grade-12th grade school that focuses on empowering confident and compassionate young leaders.**

**We are a collaborative team that works toward our common vision of 100% graduation, 100% college acceptance and 100% college readiness.**

**Through our partnership with the Young Women's Leadership Network, our teachers have access to exceptional professional development offerings; travelship grants; local, state and national conferences; funding for grade specific team-building and college trips; a dedicated College Bound Initiative counselor starting in 6th grade and access to special opportunities and events.**

**If interested, please email a cover letter and resume to: [hiring@tywls-astoria.org](mailto:hiring@tywls-astoria.org) (Subject line: "Resume- Your Name")**

**We hope you will consider becoming part of our TYWLS Family!**
